## LOGLINE

Daniel Knight is living a lie, he just doesn't know it yet. When Daniel, London's baddest gangsta music producer, joins the panel of judges on a Europe-wide talent show contest, he meets Ania; a free-spirited Polish woman who lives her life for herself, not others - or so she thinks. And within the picturesque medieval walled town of Krakow Ania shows Daniel how to be true to who he really is...
